

# MOVETIME

Family Watch 2

MT42X

## Safety and warranty information

This device meets applicable national SAR limits of 2.0 W/kg for head, and 4.0 W/kg for Limbs.

[www.sar-tick.com](http://www.sar-tick.com)

### Hearing safety

To prevent possible hearing damage, do not listen at high volume levels for long periods. Set the volume to a safe level.

# TCL

# Safety and use

We recommend that you read this chapter carefully before using your device. The manufacturer disclaims any liability for damage, which may result as a consequence of improper use or use contrary to the instructions contained herein.

## Traffic safety

Given that studies show that using a device while driving a vehicle constitutes a real risk, drivers are requested to refrain from using their device when the vehicle is not parked.

When switched on, MOVETIME Family Watch 2 emits electromagnetic waves that can interfere with the vehicle's electronic systems such as ABS anti-lock brakes or airbags. To ensure that there is no problem:

- Do not place MOVETIME Family Watch 2 on top of the dashboard or within an airbag deployment area.
- Check with your car dealer or the car manufacturer to make sure that the dashboard is adequately shielded from RF energy.

## CONDITIONS OF USE:

You are advised to switch off MOVETIME Family Watch 2 from time to time to optimise its performance.

Switch MOVETIME Family Watch 2 off before boarding an aircraft.

Switch MOVETIME Family Watch 2 off when you are in health care facilities, except in designated areas. As with many other types of equipment now in regular use, mobile devices can interfere with other electrical or electronic devices, or equipment using radio frequency.

Switch MOVETIME Family Watch 2 off when you are near gas or flammable liquids. Strictly obey all signs and instructions posted in a fuel depot, petrol station, or chemical plant, or in any potentially explosive atmosphere.

When MOVETIME Family Watch 2 is switched on, it should be kept at least 15 cm from any medical device such as a pacemaker, a hearing aid or insulin pump, etc.

Please note that MOVETIME Family Watch 2 is a unibody device, the battery is not removable. Do not attempt to disassemble MOVETIME Family Watch 2. If you disassemble your device the warranty will not apply. Also disassembling the device may damage the battery, and may cause leakage of substances that could create an allergic reaction.

Always handle your MOVETIME Family Watch 2 with care and keep it in a clean and dust-free place.

Do not allow MOVETIME Family Watch 2 to be exposed to adverse weather or environmental conditions (moisture, humidity, rain, infiltration of liquids, dust, sea air, etc.). The manufacturer's recommended operating temperature range is -10°C to +55°C.

At over 55°C the legibility of the device's display may be

impaired, though this is temporary and not serious.

Do not open, dismantle or attempt to repair your MOVETIME Family Watch 2 yourself.

Do not drop, throw or bend your MOVETIME Family Watch 2.

Do not use MOVETIME Family Watch 2 if the glass made screen, is damaged, cracked or broken to avoid any injury.

Do not paint it.

Use only accessories which are recommended by TCL Communication Ltd. and its affiliates and are compatible with your device model.

Pay attention to any warnings.

Do not attempt to open or disassemble MOVETIME Family Watch 2. Under inappropriate operation, the device and battery can be damaged and be hazardous to the human body and the environment.

Do not clean MOVETIME Family Watch 2 with corrosive cleaning products.

Do not place MOVETIME Family Watch 2 in dishwashers, washing machines or dryers.

Do not place MOVETIME Family Watch 2 on or in heating devices, such as microwave ovens, stoves, or radiators.

Do not expose MOVETIME Family Watch 2 to extreme temperatures. The recommended temperature ranges from  $-10^{\circ}\text{C}$  to  $55^{\circ}\text{C}$ .

Do not place MOVETIME Family Watch 2 close to fire.

Do not dispose of MOVETIME Family Watch 2 in a fire. This may cause the device to explode.

Prevent the USB connector from contacting water to avoid rust.

Do not crush, drop, or puncture your MOVETIME Family Watch 2.

### **Medical devices**

Please consult your doctor and the device manufacturer to determine if operation of your watch may interfere with the operation of your medical device.

### **Warning**

This watch is intended as a communication device between children and their parents, with location capabilities. It should be used only by children over 3 years and worn on the wrist.

**Warning! CHOKING HAZARD – small parts.  
Not suitable for use by children under 3 years.**

### **Blasting Caps and Areas**

Turn off your device when in a blasting area or in areas posted turn off "two-way radios" or "electronic devices" to avoid interfering with blasting operations.

## **IP (Ingress Protection) Rating**

Your device has been tested in a controlled environment and certified to be water- and dust-resistant in specific situations (meets requirements of classification IP65 as described by the international standard IEC 60529 - Degrees of Protection provided by Enclosures [IP Code]; test conditions: 15 - 35 °C, 86 - 106 kPa, 6.3 mm internal diameter of the nozzle, 3 minutes). Despite this classification, your device is not impervious to water damage in any situation.

You may, for example, wear and use the device during exercise (exposure to sweat is OK), in the rain, and while washing your hands with fresh water. But submerging your device is not recommended and the device is only protected against water splashes. Therefore, it's not recommended to wear your device while swimming or taking a shower.

### **When using your device, note that:**

If the device is exposed to fresh water, dry it thoroughly with a clean, soft cloth. If the device is exposed to any liquid other than fresh water, such as salt water, liquid chemicals, vinegar, alcohol, and liquid detergent, rinse the device with fresh water immediately and dry it thoroughly with a clean, soft cloth. Failure to rinse the device in fresh water and dry it as instructed may cause it to suffer from operability or cosmetic issues.

Dry your device before charging.

Do not submerge the device.

Do not expose the device to pressurized water or high velocity water, such as water running from a tap, ocean waves, or waterfalls.

Do not wear your device in the sauna or steam room.

Even if your device is resistant to dust and water, you should avoid exposing it to environments with excessive dust, sand and mud or to moist environments with extreme high or low temperatures.

Your warranty does not cover damage or defects caused by abuse or improper use of your device (including use in environments where the relevant IP rating limitations are exceeded).

The first digit in the two-digit IP rating indicates the level of protection against solid objects, such as dust. The second digit indicates how resistant the device is to water, as explained in the table below:

### **Resistance to solid objects such as dust**

0: No special protection

1: Protected against solid objects larger than 50mm in diameter

2: Protected against solid objects larger than 12mm in diameter

3: Protected against solid objects larger than 2.5mm in diameter

4: Protected against solid objects larger than 1mm in diameter

- 5: Protected against dust; limited ingress (no harmful deposit)
- 6: Totally protected against dust

### **Resistance to water**

- 0: No special protection
- 1: Protected against dripping water
- 2: Protected against dripping water when device is tilted up to 15 degrees
- 3: Protected against spraying water
- 4: Protected against splashing water
- 5: Protected against low pressure jets of water from all directions

### **ALLERGENS:**

TCL Communication Ltd. avoids using known allergens in our products. From time to time, trace amounts of an allergen may be added during manufacture of a device or device component that could cause discomfort for some individuals. This approach is common for many types of products. We recommend that you monitor any products that may be in prolonged contact with your skin, and remove them if you experience skin irritation.

### **Location-Based Services**

To provide location-based services on TCL products, TCL and our partners and licensees may collect, use, and share precise

location data, including the real-time geographic location of your device. Where available, location-based services may use GPS, Bluetooth, and your IP Address, along with crowd-sourced WLAN hotspot and cell tower locations, and other technologies to determine your devices' approximate location. Unless you provide consent, this location data is collected anonymously in a form that does not personally identify you and is used by TCL and our partners and licensees to provide and improve location-based products and services. For example, your device may share its geographic location with application providers when you opt in to their location services.

## **DATA PRIVACY**

Please note by using MOVETIME Family Watch 2 some of your personal data may be shared with the main device (smartphone). It is under your own responsibility to protect your own personal data, not to share it with any unauthorized devices or third party devices connected to yours. Be sure to remove or clear all personal information before you recycle, return, or give away your product. Choose your apps and updates carefully, and install from trusted sources only.

Note that any data shared with TCL Communication Ltd. is stored in accordance with applicable data protection legislation. For these purposes TCL Communication Ltd. implements and maintains appropriate technical and organizational measures to protect all personal data, for example against unauthorized or unlawful processing and accidental loss or destruction of

or damage to such personal data whereby the measures shall provide a level of security that is appropriate having regard to

- the technical possibilities available,
- the costs for implementing the measures,
- the risks involved with the processing of the personal data, and
- the sensitivity of the personal data processed.

You can access, review and edit your personal information at any time by logging into your user account, visiting your user profile or by contacting us directly through [privacy.europe@tcl.com](mailto:privacy.europe@tcl.com). Should you require us to edit or delete your personal data, we may ask you to provide us with evidence of your identity before we can act on your request.

### **BATTERY:**

Following air regulation, the battery of your product is not fully charged. Please charge it first.

Please note your MOVETIME Family Watch 2 is a unibody device, the battery is not removable. Observe the following precautions:

- Do not attempt to open the back cover.
- Do not attempt to eject, replace and open battery.
- Do not punctuate the back cover of your device.
- Do not burn or dispose of your device in household rubbish or store it at temperature above 60°C.

- Batteries are only to be charged by adults or by children at least 8 years old.
- Regular examination of transformer or battery charger for any damage to their cord, plug, enclosure and other parts , and, they must not be used until the damage has been repaired.
- The toy is only to be connected to Class II equipment bearing the symbol 

Device and battery as a unibody device must be disposed of in accordance with locally applicable environmental regulations.

This symbol on your device, the battery and the accessories means that these products must be taken to collection points at the end of their life:

- Municipal waste disposal centres with specific bins for these items of equipment.
- Collection bins at points of sale.

They will then be recycled, preventing substances being disposed of in the environment, so that their components can be reused.

Red wire: + Black wire: -  
Lithium-ion Polymer Rechargeable  
Battery 1ICP6/28/33  
Model: ZWD632833H  
Ratings: 3.85V, 830mAh, 3.196Wh  
Manufacturer: ZHONGSHAN ZHONGWANGDE  
NEW ENERGY TECHNOLOGY CO, LTD  
Date: 2020/12/02

Do not short circuit  
or into the fire.  
Do not disassemble.  
Do not expose to high  
temperature (60°/140°F)

### **In European Union countries:**

These collection points are accessible free of charge.  
All products with this sign must be brought to these collection points.

### **In non European Union jurisdictions:**

Items of equipment with this symbol are not to be thrown into ordinary bins if your jurisdiction or your region has suitable recycling and collection facilities; instead they are to be taken to collection points for them to be recycled.

**CAUTION: RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS.**

### **CHARGERS**

In order to avoid any technical issues, the recommended output voltage/current of the adapter is 5 V DC/1 A, and the

adapter shall be CE-approved.

## **RADIO WAVES:**

### **THIS DEVICE MEETS INTERNATIONAL GUIDELINES FOR EXPOSURE TO RADIO WAVES**

Your device is a radio transmitter and receiver. It is designed not to exceed the limits for exposure to radio waves (radio frequency electromagnetic fields) recommended by international guidelines. The guidelines were developed by an independent scientific organization (ICNIRP) and include a substantial safety margin designed to assure the safety of all persons, regardless of age and health.

The radio wave exposure guidelines use a unit of measurement known as the Specific Absorption Rate, or SAR. The SAR limit for mobile devices is 2.0 W/kg for Head, and 4.0 W/Kg for Limbs.

Tests for SAR are conducted using standard operating positions with the device transmitting at its highest certified power level in all tested frequency bands. The highest SAR values under the ICNIRP guidelines for this device model are:

Maximum SAR for this model and conditions under which it was recorded.		
Face SAR (10mm)	LTE Band 1 + Wi-Fi 2.4GHz	0.87 W/kg
Limb-worn SAR (0mm)	LTE Band 1 + Wi-Fi 2.4GHz	2.00 W/kg

During use, the actual SAR values for this device are usually well below the values stated above. The lower the power output of the device, the lower its SAR value.

Face SAR testing has been carried out at a separation distance of 10 mm.

Limb-worn SAR testing has been carried out at a separation distance of 0 mm.

For more information you can go to [www.tcl.com](http://www.tcl.com)

Additional information about electromagnetic fields and public health are available on the following site: <http://www.who.int/peh-emf>.

## General information

- Internet address: [www.tcl.com](http://www.tcl.com)
- Hotline: See the "SERVICES" leaflet that came with your device or go to our website.
- Manufacturer: TCL Communication Ltd.
- Address: 5/F, Building 22E, 22 Science Park East Avenue, Hong Kong Science Park, Shatin, NT, Hong Kong.

On our website, you will find our FAQ (Frequently Asked Questions) section. You can also contact us by email to ask any questions you may have.

This radio equipment operates with the following frequency

bands and maximum radio-frequency power:

GSM 900MHz: 33.5 dBm

GSM 1800MHz: 30.5 dBm

UMTS B1/8 (2100/900MHz): 22.5 dBm

LTE FDD B1 (2100 MHz): 22.5 dBm

LTE FDD B3/7/8/20 (1800/2600/900/800 MHz): 23.5 dBm

Bluetooth 2.4GHz band: 5.29 dBm

Bluetooth LE 2.4GHz band: -1.14 dBm

802.11 b/g/n 2.4GHz band: 14.40 dBm

Hereby, TCL Communication Ltd. declares that the radio equipment type TCL MT42X is in compliance with Directive 2014/53/EU.

The full text of the EU declaration of conformity is available at the following internet address: <https://www.tcl.com/global/en/service-support-mobile/eu-doc.html>

The description of accessories and components, including software, which allow the radio equipment to operate as intended, can be obtained in the full text of the EU declaration of conformity at the following internet address: <https://www.tcl.com/global/en/service-support-mobile/eu-doc.html>

## LICENCES

The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by TCL Communication Ltd. and its affiliates is under license. Other trademarks and trade names are those of their respective owners.

### **TCL MT42X Bluetooth Declaration ID D055012**

The Wi-Fi Logo is a certification mark of the Wi-Fi Alliance.

This equipment may be operated in all European countries.

We hereby point out that the end user warranty for infringement IPR is solely limited to the EU/EEA/Switzerland. If and to the extent that the Product is exported, taken with or used by end customer or end user outside the EU/EEA/Switzerland any responsibility, warranty or indemnification of manufacturer and its suppliers in regard to the Product expires (including any indemnification in regard to infringement IPR).

## Disclaimer

TCL Communication Ltd. will not be liable for any damages of any kind arising out of or relating to the use or the inability

to use the software or any third party application, its content or functionality, including but not limited to damages caused by or related to errors, omissions, interruptions, defects, delay in operation or transmission, computer virus, failure to connect, network charges, in-app purchases, and all other direct, indirect, special, incidental, exemplary, or consequential damages even if TCL Communication Ltd. Has been advised of the possibility of such damages. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusions or limitations may not apply to you. Notwithstanding the foregoing, TCL Communication Ltd. total liability to you for all losses, damages, causes of action, including but not limited to those based on contract, tort, or otherwise, arising out of your use of the software or third party applications on this device, or any other provision of this eula, shall not exceed the amount you paid specifically for the TCL Connect application or any such third party application that was included with this device. The foregoing limitations, exclusions, and disclaimers shall apply to the maximum extent permitted by applicable law, even if any remedy fails its essential purpose.

There may be certain differences between the user manual description and the MOVETIME Family Watch 2's operation, depending on the software release of your device or specific operator services.

## Recycling

Please don't dispose of products or electrical accessories (such as batteries) with your household waste. Warning: Never dispose of batteries, either separately or within a mobile device, in a fire because they may explode. These items should be disposed of in accordance with the national collection and recycling schemes operated by your local or regional authority. Or, you may return unwanted **TCL** products and electrical accessories to any **TCL** Approved Service Center in your region. Packaging and product guides should only be disposed of in accordance with national collection and recycling requirements. Please contact your regional authorities for more details.

## Warranty

We aim at "creating value for consumers". In order to better protect consumers' rights, please read through the following points in case of controversy:

MOVETIME Family Watch 2 is warranted against any defect or malfunctioning which may occur in conditions of normal use during the warranty period of twenty-four (24) months from the date of purchase as shown on your original invoice. (The warranty period may vary depending on your country.)

Within the warranty span, damages and defects deemed by authorized technical personnel as incurred from normal uses,

are subject to free repair service provided by the company and the company is allowed to charge or refuse to repair under the following.

Damage caused by accident or abuse.

Conducting or allowing unauthorized personnel to conduct tests, repair, or disassembly of the device.

Damages caused by usage of or connection to non-official accessories.

## **Software**

- Software Embodied in Physical Media.

No warranty is made that the software will meet your requirements or will work in combination with any hardware or software applications provided by third parties, that the operation of the software products will be uninterrupted or error free, or that all defects in the software products will be corrected.

- Software NOT Embodied in Physical Media.

Software that is not embodied in physical media (e.g. software that is downloaded from the Internet), is provided "as is" and without warranty.
